

My Success Network

The My Success Network channel lists the people and resources that are available to assist students. For each person or service listed the student will find contact information, supporting websites, and, if online scheduling is enabled, a link to make an appointment. If a service includes a waiting room for drop-in appointments, the student can see at a glance how many students are currently in line on the **Wait List**.

Your Services

3 in line, 4h 47m wait

Advising Center

The Advising Center provides academic support and advising for Starfish College students and assists students and alumni with their career planning and

Freshman Seminar Advising

The Freshmen Seminar Advising Center provides academic support and advising for first year Starfish College students. Our advisors can help you:

Kiosk: Admissions Office

Example service for Admissions Office at the Admissions Office kiosk.

Kiosk: Career Center Workshop

Example service for Career Center at the Career Center kiosk.

Dashboard My Services Tile

The services tile enables the student to schedule an appointment or contact services available at your institution. If a service includes a waiting room for drop-in appointments, the student can see at a glance how many students are currently in line on the Wait List. The student can access the full list of services, including other services, using the My Success Network link at the bottom of the tile.
